

## Well-Green-Tech 8.5 Inkjet Well Log Printers

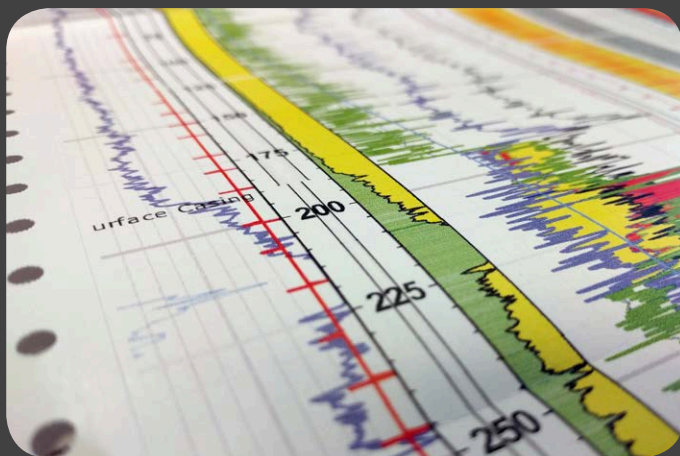

Fast, full color well-log printer for accurate large volume printing.

### WELL GREEN TECH PRINTERS OFFER:

- **Continuous Well Log Printing:**  
Unlimited plot length for extra long documents.
- **Accurate, intelligent paper handling:**  
8-pin tractor feed ensures precise registration and scale accuracy.
- **Reliable Performance:**  
rugged design requires minimal maintenance; ideal for busy, on-demand environments.
- **Low Printing Costs:**  
Operates at just a third of the per page printing cost of most leading laser well log printers.

## Features & Benefits

### TECHNICAL SPECIFICATIONS

- **High-Speed Printing** - print speeds up to 2.7" per second.
- **High Capacity Individual Ink Cartridges** - Requires fewer interventions with less downtime.
- **Supports Multiple Filetypes** - prints PDF, JPG, TIFF and more.
- **Quiet Operation** - 48 dBA (silent mode)

## EPSON INKS

Authorized EPSON inks deliver crisp, archival quality colors. Cartridge installation is quick and easy. High capacity, individual ink cartridges require fewer interventions.
